**Requirements for the awarding of the European label of excellence
CertiLingua[®] for plurilingual, European and international competences at a
glance**

Requirements for schools

- Courses in foreign languages in 2 or more modern languages until the end of upper secondary school
- Bilingual (CLIL) courses in one or more non-language subjects with a minimum of 70 full teaching hours for the period of the last two years of upper secondary education.
- Additional instruction that covers European and international matters and serves as a starting point for face-to-face projects with students and partners from other countries.

Awarding criteria for students

CertiLingua[®] has to be understood as a label of excellence, which is awarded to students who have demonstrated an outstanding overall competence integrating the following areas:

- competences in two modern foreign languages at the level B2 of the Common European Framework of Reference for Languages (CEFR)
- active participation in at least one bilingual course in upper secondary education
- European and international competences, based on corresponding instruction and a successful face-to-face project which is linked to curricular activities
